SUMMARY OF INTERVIEW

Dear Sir:

On January 24, 2006, a telephonic interview was conducted between the undersigned and the Examiner. Claims 4 and 13 were discussed. No prior art references or exhibits were discussed.

In the telephonic interview, the Examiner proposed amending the claims to incorporate the subject matter of lines 6-7 on page 6 of the Specification to place the claims in condition for allowance. Applicant did not agree with the proposed change, but instead suggested to the Examiner that Applicant would be willing to amend the claims to incorporate "differentiated services code points," such as in claim 13. The Examiner agreed that such an amendment would place the claims in condition for allowance.

Respectfully submitted,

Date: Feb 14, 2006
